

## Egg Carton Flower Mobile

### Supplies:

- Paper egg cartons
- Butcher's twine
- Stick or dowel rod
- Paint
- Scissors

### Instructions:

- Cut the cups from the egg carton into pointed flower shapes and bend the "petals" outwards.
- Poke holes in the bottom of the egg carton cups to use to string them later.
- Paint the "flowers" and let dry.
- String the "flowers" using the butcher's twine, tying knots to keep them in place.
- Tie the strings of "flowers" to the stick or dowel rod and display as you like!
