

# Egg Carton Turtle

## Supplies

- Egg carton
- Scissors
- Craft glue
- Light and dark green tempera paint
- 2 googly eyes
- 1 green pom-pom
- Green construction paper
- Black construction paper

## Instructions:

1. Cut one cup out of your egg carton.
2. Paint the cup using the light green paint, then add dark green spots to make the shell.
3. Cut a turtle tail and four turtle feet out of the green construction paper and glue them to the bottom of the shell once the paint is completely dry.
4. Glue the green pom-pom to the opposite end of the shell from the tail, as this will be the head.
5. Glue the googly eyes to the pom-pom.
6. Cut a small smile out of the black construction paper and glue it to the pom-pom below the eyes
7. Have fun with your new turtle friend!
