

MAKE A HAND CAMPFIRE

Supplies:

- Blue, red & orange construction paper
- Scissors
- School glue
- Black marker
- Brown paper bag

Instructions:

1. Using the red and orange construction paper, trace the kids' hands multiple times and cut them out to make "flames".
2. Draw log shapes on the paper bag and enhance them using the black marker to simulate "bark" and "log rings".
3. Glue the logs and the flames to the blue construction paper background and enjoy your little handmade "campfire"!
