

Friends Forever Snowflakes

← 1. Cut along this line to start with a square sheet of paper.

2. Use the dashed lines as a guide to fold. Fold in half, then fold in half again. Fold diagonally to form a triangle.

3. With the template facing you, cut along the thick black lines. All shaded areas should be cut away. Be careful and cut exactly on the lines!

4. Unfold to reveal your snowflake!
