

Fire Breathing Dragon Craft

Create your own fire breathing dragon!

What you'll need:

- Paper Roll (Toilet paper roll, paper towel roll, or wrapping paper roll)
 - Green or Red Construction Paper
 - 2 Medium Pom Poms
 - 2 Small Pom Poms
 - 2 Medium Googly Eyes
 - Red, Yellow and Orange Tissue Paper
 - Glue Stick
 - Glue Gun or Glue Dots

How to?

1. Cut the construction paper to the size of the paper roll so it completely covers it and use a glue stick to attach it to the roll.
2. Attach the googly eyes to the medium pom poms with glue, then apply the pom poms to one end of the paper roll. These are the dragons eyes!
3. Attach the small pom poms to the other end of the tube to create the dragon's nostrils.
4. Cut red, yellow and orange tissue paper into about 9 or 10 inch long, pointy strips. Use a glue stick to attach them to the inside of the paper tube at the end with the nostrils. Now you have the dragon's fire breath!
5. Take a deep breath, put your mouth on the end, and blow! Ta da! You have a fire breathing dragon!
