## Penworthy's subscription service

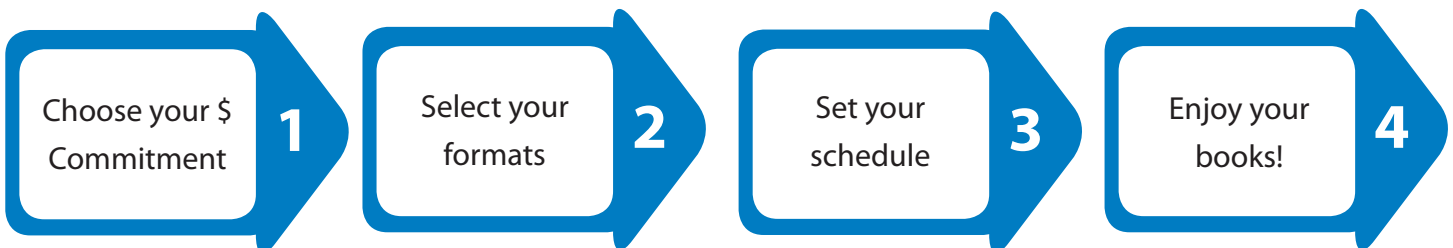

Our goal at Penworthy is to help you boost circulation by bringing you the books kids are requesting when interest is at its peak. Our Children's Reading Tree subscription plan makes that even easier with planned shipments that are hand-chosen by your Penworthy representative based on your interests and instructions.

## Why Choose Children's Reading Tree?

- Books are high-interest, high-circulation titles with durable Penworthy bindings.
- Flexibility allows you to change your preferences as often as needed.
- Spend your funds now, engage kids all year with new, exciting books in the library or classroom.
- Your subscription is yours alone - books are hand-selected based on your requirements and interests.

## Only four simple steps!

*"We buy a lot of Penworthy Prebound Books because they always select titles that we might miss. And it's easy to tell the kids, 'look for the books with the bear. You're going to have a good story.'"*

- Laura, Public Librarian
